Instructions for Form 100X

Amended Corporation Franchise or Income Tax Return

General Information

A Purpose

Use Form 100X to amend Form 100, California Corporation Franchise or Income Tax Return, or Form 100S, California S Corporation Franchise or Income Tax Return.

Note: Do not use this form to change the corporate filing status. If changing corporate status from a C corporation to an S corporation, or vice versa, file form FTB 3560, S Corporation Election or Termination/Revocation.

Unless otherwise stated, the term "corporation" as used in Form 100X and in these instructions, includes banks, financial corporations, S corporations, exempt homeowners' associations and political organizations.

For corporations that are taxed under Chapter 3, Corporation Income Tax, of the Bank and Corporation Tax Law, the term "income year," as used in this form and in these instructions, means taxable year.

To amend the water's-edge election fee use Form 100-FEE-X, Amended Water's-Edge Election Fee. Get the Form 100-WE, Water's-Edge Booklet for more information.

B When to File

File Form 100X only after the original return has been filed. Corporations must file a claim for refund within four years from the original due date without regard to extension, or within one year from the date the tax was paid, whichever is later. Returns filed before the due date are considered as filed on the original due date.

If the federal corporate tax return is examined and changed by the Internal Revenue Service (IRS), report these changes to the Franchise Tax Board (FTB) within six months of the final federal determination.

C Where to File

Tax Due

Mail Form 100X to:

FRANCHISE TAX BOARD
PO BOX 942857

Note: If the corporation must pay its tax liability using electronic funds transfer (EFT), all payments must be remitted by EFT to avoid penalties. See the instructions for line 28.

Specific Line Instructions

Questions

B and C – If the amended return is based on a federal audit, or if it is reporting a final federal determination, or if the IRS asked for information to establish the accuracy of specific items on the federal return and a change was made, the corporation must report changes which result in additional tax, to the FTB within six months of the date of the final federal determination. If the IRS changes result in a refund for California, the corporation must file a claim within two years of the IRS final determination date. Corporations use Form 100X to make changes to the original return, or the corporation may send a cover letter and complete copy of the federal changes to the FTB.

Be sure to include a complete copy of the final federal determination and all supporting computations and schedules, along with a schedule of the adjustments as applicable to the corporation's California tax liability. For more information, get FTB Pub. 1008, Federal Tax Adjustments and Your Notification Responsibilities to California.

D and E – Check the appropriate box to indicate whether this Form 100X is being filed to amend a Form 100 or Form 100S.

F – Check the "Yes" box if this Form 100X is being filed as a protective claim for refund. A protective claim is a claim for refund filed before the expiration of the statute of limitations, for which a determination of the claim depends on the resolution of some other disputed issues, such as pending state or federal litigation or audit.

G – Corporations are not allowed to elect or terminate a water's-edge election on an amended return. For information on how to elect or terminate a water's-edge election, get the Form 100-WE Booklet.

H – To amend the water's-edge election fee use Form 100-FEE-X. Get the Form 100-WE Booklet, for more information.

I and J – If this amended return is being filed to report an increase or decrease to the prepayment minimum franchise tax, be sure to answer question I and question J.

Columns (a), (b) and (c)

Column (a) – Use this column to enter the amounts shown on the original or last previously amended return or, if the return was adjusted or examined, enter the amounts that were determined by the FTB as a result of the examination, whichever was later.

Column (b) – Use this column to enter the net increase or the net decrease for each line changed. List each change on Side 2, Part IV, question 2 and provide explanation and supporting schedules.

Column (c) – Use this column to add any increase in column (b) to the amount in column (a) or subtract any decrease in column (b) from the amount in column (a). Enter the result in column (c). If there is no change, enter the amount from column (a) in column (c).

Part I Income and Deductions

Line 5 – Net income from Schedule R

If there was a net change in the amount of net income (loss) after state adjustments, and the taxpayer is required to apportion business income, the corporation must recompute and attach Schedule R, Apportionment and Allocation of Income, using the amount shown on line 4, column (c).

Part II Computation of Tax, Penalties and Interest

For additional information (such as applicable tax rates or instructions on how to determine net operating loss carryover, alternative minimum tax (AMT), excess net passive income tax, etc.) refer to Form 100 or Form 100S instructions for the income year being amended.

Line 14 – Alternative minimum tax (AMT)

Note: This applies to Form 100 filers only.

Enter in column (b) the net increase or net decrease in AMT between the original Schedule P (100), Alternative Minimum Tax and Credit Limitations – Corporations, and the amended Schedule P (100). Be sure to attach the amended Schedule P (100) to Form 100X.

Line 17 – Other adjustments to tax

For interest adjustments under the "look-back" method of completed long-term contracts, enter the net increase or net decrease in column (b). Be sure to sign the amended form FTB 3834, Interest Computation Under the Look-Back Method for Com-

pleted Long-Term Contracts, and attach it to Form 100X.

Also, enter in column (b) the net increase or net decrease of any credit recapture, LIFO recapture or tax on installment sales. For more information, get Form 100 or Form 100S, Schedule J, Add-on Taxes and Recapture of Tax Credits, for 1991 through 1998 or get Form 100 or Form 100S instructions for the years 1988 through 1990.

Enter the increase or decrease to the \$600 prepayment minimum franchise tax for qualified new corporations per R&TC Section 23221, effective for income years beginning on or after January 1, 1997.

Line 19 – Penalties and Interest

In column (b) enter the net increase or net decrease of any penalties and/or interest being reported on the amended return.

If the corporation does not compute the interest due, FTB will figure any interest due and bill the corporation. Interest accrues on the unpaid tax from the original due date of the return to the date paid. For the applicable interest rates, get FTB Pub. 1138, Bank and Corporation Refund/Billing Information.

Part III Payments and Credits

On the appropriate line, enter any payments or credits.

Part IV Amount Due or Refund

Line 28 – Amount due

Make the check payable to the "Franchise Tax Board" for the amount shown on line 28. Be sure to include the California corporation number and income year on the check. Attach the check to the front of Form 100X.

Note: A corporation required to pay its taxes through EFT must make all payments by EFT, even if the tax due on the original return was paid by check. Be sure to indicate which income year the payment should be applied to when paying by EFT.

Line 29 – Refund

If the corporation is entitled to a refund larger than the amount claimed on the original return, line 29 will show the amount of refund. The FTB will figure any interest due and will include it in the refund. If you are claiming a refund for interest previously paid, be sure to include the interest amount on line 19.

Part V Explanation of Changes

Line 1 – If the original return was filed using a different Corporation name and/or California corporation number, enter the name and California corporation number used on the original return on this line.

Line 2 – Explain in detail any changes to the amounts listed in Side 1, column (a). Show line number references for both the original and amended returns and show any detailed computations. Include a copy of the federal Form 1120X and schedules if a change was made to the federal return. Include the corporation's name and California corporation number on all attachments.
